

EXPECTATION

EDUCATION

RESHAPE A GIRL'S EXPECTATIONS.

Your donations will help bring Mobile Learning Labs to girls in rural Guatemalan communities.

60millionsdefilles.org/en

In many developing nations, girls accept a menial future of child bearing, because it's all they've been taught to expect. Our piece defies this expectation, using an early childhood peg puzzle toy to symbolize how access to even the most basic education can open a girl's mind and reshape their expectations.
